### Annotation

The article describes the ideological and thematic features of the story "Jiyren" by G.Esemuratova, the features of the heroic image.

**Keywords:** story, plot, image, idea, content and form.

"Jiyren" by Gulaysha Esemuratova, a cultural worker whose labor was broken in Karakalpakstan, laureate of the Karakalpastan Writers' Association gift, includes her works depicting the heroism of the working people of the Second World War and the years after the war. In this work, he shows the hard work of his contemporaries, their inner feelings with great skill.

The events in the story "Jiyren" are described in a sequence and are depicted with vividness and beauty. The story is told from the language of a girl named Gulay. His visit to the country of the bride, telling his sister about Turdimurat, love feelings of Turdimurat and Aysultan, Turdimurat's going to war, difficult difficulties of the war period, about Jiyren, Aysultan's transfer are mentioned. "My last visit was to the bride's house.

When I entered the house, the ayam, who was lying in pain for a long time, was much less than before. As for me, the ayam called me from the house without knowing that I came and cried repeatedly - repeatedly - Opa , I'm here! What's wrong with you?" I said. Instead of answering me, she rests for a while, she wants to cry, but she definitely can't cry. " [1. 3]. "

➤ Hey, it's you, my dear. Your sounds reminded me of my Turdymuratjan. Sira, he will come and eat without grudges with me! - the Armenian squinted and turned his face". [1. 3].

Then let her sister tell her about Turdimurat over and over again, and she will say with tears in her eyes that she will never get tired of hearing about her son.

"The year I went to school, my brother Turdimurat bought me a pencil, sketchbook, and books before the day. From the day I stepped into school, he made it a point to pick me up and bring me back. He taught me to mow. I haven't forgotten how ashamed I was in the early days of chewing grass and covering my forehead. "[1. 4].

Turdimurat had a horse named Jiyron, and he would choose the fodder for him. One day the war started, Turdimurat and his friend Tolibai agreed to go to war themselves. However, Tolibai is unfit for war and will not go. So, Turdimurat goes to war, Tolibay marries Kızlargül, and Tolibay goes to war as well. Arriving, Turdimurat's lover Aysultan is waiting for Turdimurat. It is said that Jiyren also joins the couple that he also suffers and laments like people. One day, a letter came from Turdimurat saying that he was wounded. Aysultan suffered a lot. Days later, Aysultan's transfer is said. Aysultan's mother comes and tells her sister that Aysultan should be handed over.

"Now, if you two come to the happy land and say goodbye to each other, at the same time you: - Then you say that I will buy Aysultan before Turdimurat comes, - his voice came out very loudly,

and without waiting for the answer of my sister Aysultan, you returned home waving your helmet with your openness. "[1. 42].

After some time, Aysultan will also be transferred. There is no news from Turdimurat. Aysultan expresses her inner sorrows in front of the audience by congratulating Jiyren. "He, Jiyren, be nice, let me know if you want, I won't forget until I'm dead. If only you were a witness to it, did you hear it?!" - Aunt Aysultan. "[1. 46].

No matter how small the bonfire is, these incomprehensible events, one broken puppet dance, remain. As soon as he told her, her sister's eyes did not open again, His son's waiting is illuminated. "Sister, we have never forgotten my brother Turdymurat - we say every time we visit him, standing next to his grave. He will never be forgotten, we will never forget him!..." In conclusion, in the story "Jiyren", due to the difficulties and severe sufferings of that time, Aysulta's inability to join Turdimurat, Jiyren's longing for Turdimurat, even though he is an animal, and therefore, the mother's inner desires, longing for her son's path, her own son It is an impressive and characteristic description of his passing away.
